PROGRAM TWO: URGENT SHORTS

LIST WITH 70 BONUS LINKS

From 16-20 July 2020, Jamaican environmental filmmaker Esther Figueroa (Vagabond Media), in collaboration with Caribbean Creativity, is hosting a free online film festival to reflect on the destructive impacts of hundreds of years of extractive industries on Planet Earth. Program Two: Urgent Shorts presents an educational overview focusing on many of the consequences of global extraction, with links to almost 40 Urgent Shorts (and 70+ Bonus Links) that include testimonials from people impacted by extraction and exploitation, media produced by grassroots and international activist organizations, news outlets and documentaries.

*All media featured in the URGENT SHORTS * GEF PROGRM TWO are publicly available online and can be accessed at anytime, not just during GEF 2020. Accompanying the Urgent Shorts program, this is a bonus list by topic of links to 70 extraction related documentaries, testimonials, news programming and shorts, including extensive links to media about environmental justice.*
